Low Tuition Cost

Our annual tuition has no hidden fees and is one of the lowest on the Eastside. We believe you'll find our all-inclusive K-5 (\$14,100) and 6-8 tuition (\$15,000) to be a superb value for private education in our area.

Education Excellence

ECS is a local leader in academics. In addition to our accelerated math program, we have significantly more students meeting the standards of the Washington State Smarter Balanced tests than their peers in both local and state-wide public schools.

Student-Teacher Ratio

Our low student-teacher ratios enable our teachers to give each student personalized attention throughout the year.

Preschool - 7:1

Kindergarten-1st grade - 9:1

2nd-5th grade - 15:1

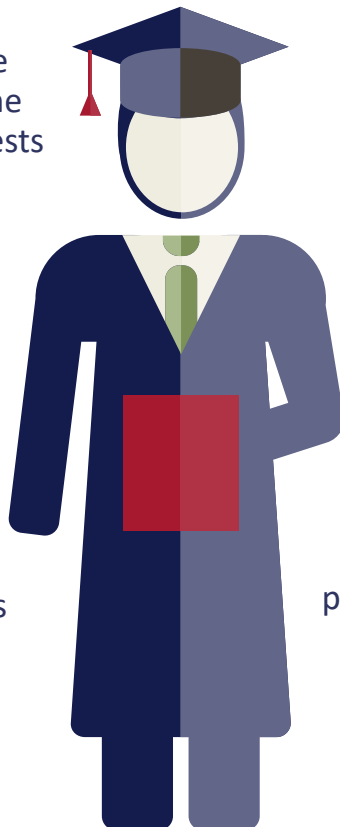

Middle School - 15:1

Loving Community

More than 90% of our K-7 families choose to re-enroll each year. This is one of several indications that families love our Christ-centered community.

Students thrive because they are known and loved by caring staff and supportive families.

Small Classes, But Many Choices

ECS offers a variety of specialist and elective classes, plus after-school programming, including music, drama, creative writing, computer coding, journalism, finance, cooking, home construction, art, band, Spanish, robotics, sports and more.
